Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
Madras.

Assignment--land--Karkal Taluk--Naravi village--S.No. 218/1C C.27 acre--Parish Union of the Diocese of Mangalore--sanction solicited.

S. No. 218/1C of Naravi village measuring 27 cents in extent has been notified for assignment in this case. It is a portion of assessed waste dry land situated to the east of the Mudabidri Naravi road. At the placed marked A in the eye-sketch there is a small thatched shop building built by the Vicar of the Naravi Church. This encroachment measured 2 cents and existed even so long back as 1910. As the plot was within 22 yards from the centre of the Mudabidri-Naravi road, assessment was ordered to be collected under Shivaijama on condition of the encroacher giving it up to Government whenever required without claiming any compensation or on condition of enjoying it till the life time of the person then residing in the building. This continued till 1922, when steps were taken for its assignment. The Local Fund Department which was consulted then had no objection to the assignment of the site of the building. But as the extent of the plot was only 2 cents its permanent assignment was considered inadvisable and its retention in Village Account No. A II was ordered. The matter came up before the Jamabandy Officer in fasli 1334 and the Collector to whom the papers were submitted, ordered its retention in Village

Account No. A--II. The matter was again re-opened in the Jamabandy of Fasli 1341 and the question came up before the Collector who directed that steps should be taken for its permanent assignment. The sub division containing the encroachment has accordingly been enlarged into one measuring 27 cents and the rest of the road has been sub divided as S. No. 218/1A.

2. The Taluk Board Karkal requests that the full margin of 22 yards from the centre of the road may be set apart for road purposes and the thatched shed got removed. The road is an unimportant interior one and the width of one chain as now sub divided would be ample for all purposes. There is no force in the present objection of the Taluk Board when once before it had consented to the assignment of the site containing the improvements. The removal of the encroachment after having allowed it for the last 22 years will not be proper.

3. I,therefore, recommend that the Government may be moved to accord sanction for the assignment of S. No. 218/1C of Naravi village to the Parish Union of the Diocese of Mangalore of which the Church at Naravi is a member.

4. The Parish Priest of the Church of Naravi has no objection to the assignment of the Plot in the name of the Parish Union of the Diocese of Mangalore. The President of the Union consents to this.

5. The Parish Union does not own any lands in the village. But in the district it owns 139.72 acres of land valued approximately at Rs.8153-10-0.

6. The connected records are enclosed.
